I watch RFD-TV on Dish satellite system.

RFD-TV is, to my knowledge, the only channel that carries the kind of programming that it carries.

Being independent used to be an asset and to many of us it still is.

DEAR FCC, PROCEEDING # 16-41

I WATCH RFD ON DIRECT-TV,, CHANNEL 345,, WHY DOESN'T THE FCC LEAVE CHANNELS LIKE THIS ALONE?? THIS IS ONE OF THE FEW CHANNELS THAT HAS NO NUDITY, VULGARITY, OR STUPIDITY ON IT.....PLEASE LET AMERICA HAVE SOME DIGNITY LEFT AND LET US HAVE A CHANNEL THAT A FAMILY CAN WATCH TOGETHER.

I THINK THE FCC NEEDS TO BE MONITORING CHANNELS LIKE ABC, NBC, AND CBS .. THESE CHANNELS HAVE PROGRAMS WITH LGBT ISSUES, PROFANITY,, AND ARE USELESS TO WATCH... HOLLYWIERD IS NOT THE NORM!!!

LEAVE RFD ALONE!!!!!!!!!!!!

To whom it may concern,

Bridges Training Foundation, LLC. is a 501-c3 nonprofit organization, established in November 2012 with a primary focus of the development and support of individuals with Intellectual and Developmental Disabilities.

Our program is focused on a "point of need" approach of developing essential life skills, social confidence and self-sufficiency for the disabled community. Our mission is: "Building a Bridge to a successful tomorrow for individuals with disabilities and those that support them".

Bridges opened its Midlothian location mid-March and was to maximum capacity by December. The overwhelming demand for services in Ellis County has Bridges developing expansion plans for a second location in Waxahachie. We are currently planning a fundraiser on September 24, 2016 to secure funds for a second location. The venue will include a professional BBQ competition with over 100 anticipated competitors, antique car show, and live bands playing throughout the day and plenty of activities for the little one. We will hold a silent auction and raffle items as throughout this full day event and would appreciate a donation from your company. This would be a perfect opportunity to spotlight your organization and your support of this underserved population. Any support you can offer would be greatly appreciated and prominently noted on our website and social media.

Should you have any questions about our organization feel free to contact me at any time.

Yours Truly,

I'm writing in support of independent local and rural TV programming, RFD-TV. This is a very important TV channel for thousands of rural viewers like myself. It's very educational and entertaining. It has very clean advertising so people with small children can watch and enjoy. For rural lifestyle like I live and enjoy I watch RFD-TV a lot. It fits right into the way I live.

The urban people can learn a lot about how and where food comes from and all the hard work and responsibility involved.

Please keep this going.

Dear FCC, 1641

It's very important that you think seriously about this.

We're asking you and expecting you to quit dropping these rural channels on T.V.

RFD is very important to lots of people.

It's very educational and also good entertainment

FOCKET FILE COPY ORIGINAL

I am 80 yrs. old and there's very little on T.V. for the elderly.

RFD channel has more of a variety for the seniors to watch, as well as others ages. I look forward watching my favorite programs. Some are Molly D's Polka Party, Opry stars Reunions, Country & Gospel Music, Lee Hawe, & Blue Grass.

There are lots of young people in the city that doesn't know where their food comes from and how it's grown. They can learn from RFD.

Open your eyes, ears, and minds. Come on!
RTV has some of the best programs
than other channels. We are fortunate to have them.
Stop the nonsense people. Get real!

Thanks for understanding and doing the
right thing for everyone here.

Everytime we get one battle evened out - here is another.

There is space for

~~DOCKET FILE COPY ORIGINAL~~ I wish you would rule for all of us evenly.

RFD-TV has many types of programming we can not get on any other channels.

Our TV set is one most of the day. The information I get is valuable to our

lives.

I enjoy music, variety even polka dancing! I have 2 left feet but I love the music and friendliness of that show.

I would never be able to see that on any other T.V.

I get RFD-TV over Channel 345 thru Direct TV.
Please be fair to all of us.

DEAR F.C.C. 16-41 C/O RFD-TV

PLEASE FIND MY OPINION ABOUT HOW YOU DECIDE WHAT TO PERMIT AND DENY TELEVISION NETWORKS TO BROADCAST.

ALL VIEWERS SHOULD HAVE AVAILABLE TO THEM PROGRAMS THAT ADVANCE KNOWLEDGE OF REAL LIFE, AND BEHAVIOR. THIS WORLD NEEDS ALL THE BRAIN POWER IT CAN GET, TO SOLVE ISSUES: ABOUT FOOD SUPPLY, HEALTH NEEDS, HOW TO TREAT OTHER PERSONS,

WITH ALL THE PROBLEMS NEEDING GOOD SOLUTIONS IN THIS WORLD. A PERSON'S MIND SHOULD BE APPLIED TO REAL LIFE NOT TO FICTION INFORMATION.

TELEVISION IS OFTEN USED AS A DAY CARE ACTIVITY FOR BOTH ~~ADULTS~~ ^{THESE} ~~ADULTS~~ COPY ORIGINALS.

AMONG THESE PERSONS MINDS ARE POTENTIAL ~~ANSWERS~~ ANSWERS IF CONNECTED TO PROBLEMS.

PLEASE HELP PLANT THE SEEDS OF OPPORTUNITY FOR DEVELOPMENT IN THE MINDS OF PERSONS EVERWHERE. URBAN DWELLERS ARE INTERESTED IN RURAL LIFE, AND NEED TO HAVE ACCESS TO THE MANY OPPORTUNITIES RURAL LIFE PROVIDES. ALL URBAN AND RURAL EAT FOOD, WEAR CLOTHING, USE TECHNOLOGY WHEN AVAILABLE ETC,

TO PROVIDE ACCESS TO EVERY TELEVISION
VIEWER INFORMATION IS NEEDED TO MAKE GOOD
LIFE STYLE CHOICES. A CHANNEL SUCH AS
R.F.D. TV SHOULD ALWAYS BE INCLUDED BY
EVERY BROADCAST NETWORK AS A CONDITION
FOR THEIR "CERTIFICATE OF PUBLIC GOOD"
THIS "RFD TV" CHANNEL SHOULD ALSO BE PART
OF FIRST TIER BASIC PROGRAM PACKAGE.
IF BAND WIDTH IS AN ISSUE THERE ARE
NUMEROUS CHANNELS WITH NOTHING BUT VIOLENT
FICTION, REDUNDANT, MAUDER MYSTERIES
THAT ADD TO THE MINDS FOR CRIMINAL ACTIONS
THESE SHOWS SHOULD BE ELIMINATED TO
WEED OUT POLLUTION OF PEOPLE'S MINDS
.VIOLENT SOCALLED CARTOONS SHOULD BE REMOVED
